

## **AGREEMENT TO REHABILITATE OR REPLACE PRIVATE SIDE SEWER**

I agree to allow Valley View Sewer District and its designated contractor access to my property for the purpose of rehabilitating or replacing my private side sewer. I further agree to reimburse Valley View for a cost, not exceeding \$500.00, for the rehabilitation or replacement work. I understand that there is an installment payment plan through Valley View available to pay the actual cost (not to exceed \$500.00) for rehabilitation or replacement of my private side sewer.
